

# TRANSPORTATION

## *A Tradition of Excellence*

### PROJECT:

Eastern Approach to the Baldwin Bridge, DOT Project #104-153

### SERVICES:

Constructed approximately one mile of major highway on Interstate 95, including a 120 foot bridge over the state highway. Provided entrance and exit ramps as part of the project. Installed all utilities. Performed drainage work and paving and built a noise barrier. During the entire project, successfully maintained and protected traffic.

### LOCATION:

Old Lyme, Connecticut

CONCRETE • SITE DEVELOPMENT • DEMOLITION • REMEDIATION • TRANSPORTATION
