

# TRANSPORTATION

## *A Tradition of Excellence*

**PROJECT:**

I-84 Plainville Westbound  
DOT Project #0109-0154

**SERVICES:**

Added an additional lane on each of two bridges, using a steel/concrete deck. Completed repair of an existing bridge deck, performed drainage work, and parapet modifications as well as milling and paving. During the entire project, successfully maintained and protected traffic.

**LOCATION:**

Plainville, Connecticut

CONCRETE • SITE DEVELOPMENT • DEMOLITION • REMEDIATION • TRANSPORTATION
