

TRANSPORTATION

A Tradition of Excellence

PROJECT:

Route 2, Bozrah, DOT Project #013-081

SERVICES:

Resurfaced four miles of four lane highway. Made major improvements to the area, including the replacement of two bridges and excavating a large quantity of earth and rock. Performed drainage work, and slope/embankment modifications as well as milling and paving. During the entire project, successfully maintained and protected traffic.

LOCATION:

Bozrah, Connecticut
